

Department of Computer Science and Engineering

Workshop Report on Artificial Intelligence and Machine Learning

Event Details :

Title of the Event: Workshop on Artificial Intelligence and Machine Learning

Organized By: Department of Computer Science and Engineering

Resource Person: Dr. Rahul Sharma, Infosys Limited

Head of Department: Information was not available in the provided WhatsApp conversation or uploaded documents.

Venue: Seminar Hall, Block A

Date: 15 March 2026

Time: 10:00 AM to 4:00 PM

Participants: 120

Introduction

The Department of Computer Science and Engineering organized a one-day workshop on Artificial Intelligence and Machine Learning to strengthen student awareness of emerging technologies.

Objectives

The objectives of the workshop were:

1. Understand AI fundamentals
 2. Explore practical ML use cases
-

Workshop Proceedings

The workshop commenced with a welcome address followed by the technical session delivered by the resource person.

Topics Covered

1. Introduction to AI
 2. Machine Learning workflow
 3. Industry applications
-

Schedule Summary

1. 10:00 AM — Inauguration
 2. 11:00 AM — Technical session
-

Learning Outcomes

After attending the workshop, students were able to:

1. Explain supervised learning concepts
 2. Identify real-world AI applications
-

Key Highlights

1. Interactive hands-on session
-

Benefits

1. Enhanced industry readiness among students
-

Conclusion

The workshop concluded successfully with active student participation.

AI Executive Summary

A department workshop on AI and ML was conducted with 120 participants. The session covered fundamentals and applications with industry-led delivery.

Acknowledgement

The department acknowledges the support of faculty and students.
