Introduction

The Department of Computer Science & Engineering at D Y Patil College of Engineering & Technology, Kolhapur, maintains a strong focus on student career development and industry integration. The department consistently strives to equip students with the technical skills and professional acumen required to succeed in the corporate world.

This report documents the recent placement of student Prathamesh Pawar at Tata Consultancy Services (TCS), highlighting the institution's commitment to facilitating successful career transitions for its graduates.

Objectives

The objectives of the workshop were:

1. To recognize and celebrate the professional success of students.
 2. To document placement statistics for departmental records.
 3. To motivate students by showcasing successful placement outcomes.
-

Workshop Proceedings

The announcement was made via the official department communication channel. The event involved the formal recognition of the student's achievement through a digital congratulatory poster, which was shared with the department faculty and student body to acknowledge the hard work and dedication of the student.

Not applicable as this was a placement announcement rather than a workshop or guest lecture.

The announcement was shared with the student community, serving as a source of motivation and encouragement for peers to pursue similar career goals.

Topics Covered

1. Not applicable.
-

Schedule Summary

1. Information was not available in the provided WhatsApp conversation or uploaded documents.
-
