

Department of Artificial Intelligence & Machine Learning

Workshop Report on The Future of Artificial Intelligence and Responsible AI

Event Details :

Title of the Event: The Future of Artificial Intelligence and Responsible AI

Organized By: Department of AIML

Resource Person: Dr. Nitin Bhosale, AI Research Scientist

Head of Department: Information was not available in the provided WhatsApp conversation or uploaded documents.

Venue: Seminar Hall, [Institute Name]

Date: 29th July 2026

Time: Information was not available in the provided WhatsApp conversation or uploaded documents.

Participants: 1 (Mr. Yuvraj Shinde)

Introduction

The Department of Artificial Intelligence & Machine Learning (AIML) organized a seminar on 'The Future of Artificial Intelligence and Responsible AI' on 29th July 2026. This event was designed to provide students with a comprehensive understanding of the current advancements in AI and the critical importance of ethical considerations in the field.

The seminar served as a platform for students to interact with industry experts and gain insights into the rapidly evolving technological landscape, ensuring they remain at the forefront of AI innovation.

Objectives

The objectives of the workshop were:

1. To explore the advancements in Generative and Agentic AI.
 2. To emphasize the importance of Responsible AI and ethical frameworks.
 3. To provide guidance on career opportunities in the AI sector.
-

Workshop Proceedings

The seminar was conducted in the Seminar Hall of the institute. Dr. Nitin Bhosale delivered an engaging presentation that covered the technical and ethical dimensions of AI. The session was highly interactive, allowing for a deep dive into emerging industry trends and the practical applications of AI in real-world scenarios.

Dr. Nitin Bhosale, an AI Research Scientist, brought a wealth of knowledge to the seminar. His expertise in AI research provided students with a unique perspective on the challenges and opportunities within the industry, particularly regarding the development of responsible and ethical AI systems.

The session saw active participation from students, with Mr. Yuvraj Shinde being specifically recognized for his commitment to learning and his enthusiastic engagement throughout the seminar.

Topics Covered

1. Generative AI
 2. Agentic AI
 3. Responsible AI
 4. Ethical considerations in AI
 5. Emerging industry trends
 6. Career opportunities in AI
-

Schedule Summary

1. Information was not available in the provided WhatsApp conversation or uploaded documents.
-

Learning Outcomes

After attending the workshop, students were able to:

1. Improved understanding of AI architectures.
 2. Increased awareness of ethical AI practices.
 3. Better alignment of academic goals with industry requirements.
-

Key Highlights

1. Expert insights from a seasoned AI researcher.
 2. Focus on the balance between innovation and ethics.
 3. Recognition of student academic excellence.
-

Benefits

1. Exposure to cutting-edge AI research.
 2. Enhanced professional development for students.
 3. Networking opportunities with industry experts.
-

Conclusion

The seminar was a resounding success, providing students with valuable knowledge that extends beyond the traditional classroom setting.

The department looks forward to organizing more such events to continue supporting the academic and professional growth of its students.

AI Executive Summary

This seminar on 'The Future of Artificial Intelligence and Responsible AI' provided students with a deep dive into the technical and ethical aspects of AI. Led by Dr. Nitin Bhosale, the session covered key topics such as Generative and Agentic AI, emphasizing the need for responsible development. The event successfully bridged the gap between academic theory and industry practice, encouraging students to pursue excellence in the field of AI.

Acknowledgement

The department extends its gratitude to Dr. Nitin Bhosale for his valuable time and insights. We also thank the faculty and students for their active participation and support in making this event a success.
